Control Your Home From Anywhere

Upgrade your outdated alarm system (also applies to homeowners not currently protected) with SkyTec's award winning Security and Automation equipment. This cellular based technology is safer as there are no phone lines to be cut AND eliminates the need for a dedicated phone landline, saving you up to \$50 per month. We have included our Life/Medical Pendant which eliminates the need for "Life Alert" devices, additionally saving you up to \$50 per month. SkyTec includes the industry leading Alarm.com phone and tablet app which gives you complete access and control of your home from everywhere you may be.

FREE SkyTec Security & Automation System Includes:

- 1 Go Control Master Control Panel. (Vendor info at www.2gig.com)
 - 1 Two way Voice Communication with Central Monitoring Station
 - 1 Life/Medical Pendant
 - 1 Motion Detector
 - 1 Firefighter Smoke/Fire Alarm
 - 3 Window/door sensors
- Application for smart phone, tablet and computer.
Unlimited downloads. (vendor info at www.alarm.com)
LIFETIME Equipment Warranty
- Optional: Additional Life/Medical Pendant: \$59
Front Door Camera: \$299 (includes installation)
Ask us about Home Automation and Control

In an emergency, the Award Winning Control Panel opens up communication with operators who dispatch the right assistance IMMEDIATELY!

Details: To qualify for the Home Security & Automation Package including Professional Installation, you must be a home-owner with approved credit and use SkyTec's 5-Diamond rated central monitoring station for a minimum of 36 month term at \$49.99 per month (\$54.99 with front door camera).
